TRAINING AND ASSESSMENT – WHAT’S IT ALL ABOUT?

As a nationally registered training organisation training and assessment services provided by The French Beauty Academy are developed to meet the requirements of the VET Quality Framework.

Nationally recognised training programs such as Certificates and Diplomas are competency based which means that training and assessment activities or recognition of your skills and knowledge focuses on your ability to apply relevant knowledge and skills to actually demonstrate your performance of workplace tasks to a standard specified by that industry.

The specific skills and knowledge required for workplace application are detailed in what we call Units of Competency and these are ‘packaged’ together by The French Beauty Academy to make up a nationally recognised qualification, based on The French Beauty Academy’s consultation with that industry area and the requirements specified in the Training Packages. Nationally accredited training packages can be found at www.training.gov.au.

To be considered competent in any Unit of Competency you must be able to demonstrate the required skills and knowledge to complete work tasks in a range of situations and environments. This will include demonstrating your skills in real work situations or in simulated applications, over a period of time.

Your educator will collect evidence to be confident that you have the required knowledge and are able to perform the specified competency or task/s to the required standard over a period of time.

Your evidence (assessment) must demonstrate the following:

- That you can do the job or task to the required standard
- That you understand why the job should be done in a particular way
- That you can handle unexpected issues or problems
- That you can work with others ‘in a team’
- That you can do more than one thing at a time, e.g. perform the task and be aware of the occupational health and safety requirements
- That you know the industry or workplace legislation, rules and procedures

Competency based training and assessment is all about providing you with every opportunity to develop competencies. If your evidence (assessment) does not satisfy the assessment requirements (criteria, benchmarks) your assessor will provide feedback and possibly additional support (such as allowing you the opportunity to provide additional evidence, do more research or practice skills before you demonstrate them again) and may negotiate additional or alternative assessment for resubmission or re-assessment.

As part of our enrolment process, you should discuss with your training and assessment program with The French Beauty Academy's staff to ensure you understand the qualification and the training and assessment requirements prior to enrolling.

The staff member will give you the opportunity to discuss:

- any questions you may have about the course in detail including
  - the course duration
  - participation or progress requirements,
  - assessment requirements,
  - industry programs and salon requirements, if applicable,
● learning resources
● whether you have any existing qualifications or training, or skills that could be recognised in this program.

Assessment at The French Beauty Academy

At The French Beauty Academy, written assessments are to be submitted through The French Beauty Academy Learning Centre. It is your responsibility to retain a copy of your assignment. All assignments must clearly state on the top:

● Students name
● Name of the subject
● Educators' name
● Date

Home assignments

Educators set regular assignments to be completed in students’ own time. The main purpose of these activities is to assist you to develop your research and self-learning skills. All students must return the assignments on the date specified by the educator.

Unless otherwise specified, these are individual work assignments and must be undertaken without assistance from or collaboration with other students. All assignments should be submitted via the Learning Centre. All assignments must clearly state on the top:

● Students name
● Name of the subject
● Educators' name
● Date

Re-assessment

If you are assessed as “Not Satisfactory” in any assessment activity (practical demonstration, theory exam, assignment) you will be able to undertake a re-assessment within two (2) weeks of the date of notification of the outcome. If the assessment item is not re-attempted or at least arranged to be re-attempted during this timeframe, the student will be required to attend classes for that unit again and may be charged accordingly.

Missed Assessments

Students are required to undertake all assessments and attend all classes. If you miss an assessment you will be required to present a doctor’s certificate. Students may be asked to re-sit the entire class unit and pay for it if it is deemed that they have missed too many components to catch up and may have to repeat and pay accordingly.

Special Consideration and Deferred Assessment

On occasion, circumstances may prevent you from participating in or undertaking an assessment or handing in an assignment. In these cases you are asked to put your circumstances in writing and submit them for consideration. All considerations will be assessed on a case-by-case basis and a decision will be notified within seven (7) days.

Deadlines for Graduation

Any assessments or re-assessments that are due pending graduation must be received by educators no later than 5 working days before graduation to allow educators adequate time for
marking. Failure to submit any outstanding work on time may result in students being ineligible to graduate.

**The French Beauty Academy Student Salon**

Both Flexible Learning and In-Class students are required to practice and demonstrate their skills and knowledge in The French Beauty Academy's simulated salon during the course of their program. Clinical Practice will help develop and perfect newly acquired skills, and is regarded to be an extremely important part of your training.

To achieve competency in the units being assessed in this simulated environment, it is anticipated that students will need to undertake approximately 80 hours of practice/demonstration in this simulated workplace.

During 'shifts' in the simulated workplace, the educator and/or salon supervisor will be observing and reviewing your performance to ensure that you have the skills to meet unit of competency requirements, including practical skills, business skills such as communication, sales and product knowledge.

As you will be interacting with public customers in the performance of treatments, prior to commencing clinical practice in the simulated workplace, you will undertake initial skills assessment in the classroom to determine your readiness for salon practice.

In most cases, students' progress to salon half way through their course although some students may need some additional help or practice time to achieve skills. Please discuss your needs with the educator for your Unit to receive additional support.

Clinical Practice Days are additional to the class timetable. Students will be provided with a list of dates to choose from and in some cases may be required to attend clinic on Saturdays. As the simulated environment provides an essential opportunity for students to demonstrate skills and knowledge to meet the requirements of units of competency, students who do not participate in clinic time may be unable to sufficiently demonstrate their skills to meet assessment requirements.

All students will be assigned a student salon log book. This is a very important part of our assessment and will record your progress. The required clinic outcomes for each qualification are discussed in detail at interview, orientation and The French Beauty Academy Student Salon Induction day. This will form part of the overall student assessment.

**The French Beauty Academy Flexible Learning Program**

For students who are studying in the Flexible Learning Program (FLP) please note the program specific information. It is important that you read and understand all items so that you get the most from your course.

**Program Length**

The French Beauty Academy FLP program is designed so you can complete all the coursework and be able to attend the associated practical blocks within 12 months. However, The French Beauty Academy understands that flexible learning is self-paced and recognises that students learn at different speeds. It is for this reason that the majority of students complete the course in 15-18 months. The French Beauty Academy wishes to ensure all students complete the course and allows 24 months from the start date for students to complete the course.
A Statement of Attainment will be issued at the end of the 24 months’ period for students who have not completed the course within that period and to students who withdraw from the course if they have achieved competency in individual units of competency. Students will have to re-enrol, including pay unit fees, for any Units of Study that have not been completed or have been unable to achieve a competent outcome within the 24-month period.

**Practical Blocks**

Students are required to complete theory components before they can attend the practical component of the course.

Practical Blocks are run almost every week (except during advertised school breaks) so students have maximum opportunity to attend.

As students have to make personal adjustments to their circumstances to attend practical blocks, students are required to register with one of the Flexible Learning educators for each practical block to ensure availability. Numbers are limited per practical block so booking a place is essential.

**Models for Practical Blocks**

Students are expected to arrange for models to practice their skills during the practical blocks. If students are unable to bring models to class as they are located a significant distance from the campus or have nobody who can attend they MUST notify the Flexible Learning educator 2 weeks prior to the block so the school can try and find models who may be able to assist during that time.

**Non Attendance at Practical Blocks**

The Flexible Learning educators are responsible for ensuring minimum numbers attend these practical blocks and for managing the enrolment of students into the practical block. Students may reserve ahead the practical blocks they wish to attend, however if a student fails to attend a block after making a reservation, The French Beauty Academy reserves the right to move the student to the bottom of the list for the following three practical blocks they book as the cancellation of the booking may have prevented another student from attending.

The French Beauty Academy reserves the right to cancel a practical block if there are not enough students to run the block successfully. The French Beauty Academy will give notice one week prior to the commencement of a block that may be cancelled.

**Transferring between In-Class and Flexible Learning**

Students are permitted to transfer from the Flexible Learning Program (FLP) to Face to Face learning and vice versa. Permission to transfer between modes of learning is at the discretion of the Principal. Students can only transfer when there is class availability as determined by the Principal. Please note, students do not receive credits for any incomplete units.
**VET FEE-HELP**

The French Beauty Academy offers VET FEE-HELP for the Diploma of Beauty and The Advanced Diploma of Dermal Therapies. Eligible students have the option of applying for a VET FEE-HELP loan from the Australian Government to pay for all or part of their tuition fees.

VET FEE-HELP is an Australian Government loan scheme that covers all or part of the tuition fees for eligible students. Eligible students are able to use VET FEE-HELP to pay tuition fees up to the amount of the FEEHELP lifetime limit.

Please refer to the VET FEE-HELP information guide from [www.studyassist.gov.au](http://www.studyassist.gov.au) for up-to-date information on VET FEE-HELP. A link is also included on The French Beauty Academy website. If you have previously used the Australian Government FEE-HELP loan scheme to pay for higher education or VET courses of study, those amounts would also be included in the usage of your limit.

VET FEE-HELP loans incur a 20% loan fee which is added to the total amount of the loan, but is not included in your FEE-HELP limit. This loan fee is not paid to The French Beauty Academy.

Students are then liable to the Australian Government for any Tuition Fees incurred as a debt and pay it back to the Australian Government through the Australian Taxation Office once their earning salary reaches a certain amount.

**Eligibility for VET FEE-HELP**

To be eligible for VET FEE-HELP Assistance, students must be able to provide a valid Australian Tax File Number, have a Year 12 certificate or obtain a Level 3 Exit Level 3 in the Australian Core Skills Framework in both reading and numeracy, be an Australian citizen or the holder of a Permanent Humanitarian visa, and be a resident in Australia for the duration of the course. For more information, see VET FEE-HELP Student FAQ on our website.

A statement of VET Tuition Assurance is included on our website or please visit or telephone our office for a copy. This statement is to provide information on how The French Beauty Academy will protect students in the event that it ceases to provide a VET FEE-HELP enabled course in which a student is enrolled.

**Census Date**

‘Census’ date – this date is set by The French Beauty Academy and is the deadline for various requirements, like making an up-front payment, applying for VET FEE HELP loan, paying your tuition fees or formally withdrawing the enrolment in order to not incur a debt.

Students incur a liability for VET Units of Study currently enrolled in after the census date has passed. The census date for each Unit of Study or Payment Period in your course is published in the VET Tuition Fee Schedule on The French Beauty Academy website.

This is the date by which, you must have made arrangements for payment of your Tuition Fees to maintain enrolment.

Students will receive a VET FEE-HELP Invoice Notice 14 days before each census date, setting out the unit of study fee and census date. Within 28 days after a census date has passed you will receive a Commonwealth Assistance Notice (CAN) for that unit of study. The CAN will provide information on your VET FEE-HELP debt for that unit of study, including the loan fee. VET FEE-HELP
Invoice Notices and CANs will be emailed to student’s personal email address and also available on their Student Profile.

Arrangements for payment may be made by either:

a. Submitting your Request for VET FEE-HELP Assistance Form, or
b. If not VET FEE-HELP eligible, by making a payment of your fees according to your payment plan.

If you have not made arrangements for payment on or before the Census date, your enrolment may be cancelled. If you have previously filled in a Request for VET FEE-HELP Assistance Form for any Unit within your current Course of Study, your Tuition Fees will automatically default to becoming a VET FEE-HELP debt unless you make payment of Tuition Fees on or before the Census date.

If you cancel your enrolment at any time up until this date, you will not be liable for Tuition Fees. You cannot withdraw after this date without incurring liability for Tuition Fees. If you have completed a Request for VET FEE-HELP Assistance Form, all unpaid Tuition Fees as of the census date will become a VET FEE-HELP debt.

**FEES AND CHARGES**

The French Beauty Academy's VET Tuition Fee Schedules are published on The French Beauty Academy website. Published course fees include access to learning and assessment materials as specified.

For VET Fee Help students, The French Beauty Academy complies with the VET Tuition Assurance requirements of ACPET’s (Australian Council for Private Education and Training) Australian Student Tuition Assurance Scheme (ASTAS).

The ASTAS ensures that if The French Beauty Academy ceases to provide a VET course of study, ACPET will ensure students are offered a place in a similar VET course of study without further fees for any commenced but not completed units of competency, or payment of any upfront VET payments (or VET Fee-Help re-credit) for units of study commenced but not completed.

Applications for The French Beauty Academy qualifications can be made up to six months ahead and must be accompanied by a deposit or a complete VET FEE-HELP Form.

Course numbers are finalised one week before course commencement. Positions are only confirmed on the completion of agreed financial arrangements. Some cohorts fill up faster than others and The French Beauty Academy cannot guarantee that students will always be given their cohort/ days of choice.

**Course Cancellation**

The French Beauty Academy courses are subject to a minimum number of students. The French Beauty Academy retains the right to cancel a class up to 24 hours before the start date. If a course cancellation occurs, students will receive a full refund of any fees paid.
Payment of Course Fees for Non VET FEE-HELP Certificate and Short Courses

The French Beauty Academy course fees are to be paid progressively via agreements with the third party provider; FFA PaySmart. All payments for tuition are to be made one fortnight in advance. Installments are due over the duration of the course as stipulated in the PaySmart agreement. Under the agreement with PaySmart, if payments are not received on time due to “Insufficient Funds” or a “Declined Transaction”, students will incur a late fee of an additional $15.00 charged by PaySmart. These details are included in the Terms and Conditions of the PaySmart agreement.

Withdrawal

To confirm a withdrawal a student must provide written notification to The French Beauty Academy of their intention to withdraw. Upon receipt of the notice the student will be withdrawn and receive any refund that applies. Additionally The French Beauty Academy will arrange a withdrawal interview with the Principal to ensure all matters relating to course credits, outstanding fees, RPLs, exit point qualifications and transcripts, correspondence, deferral options and any other outstanding items are finalised.

Refunds (including re-crediting VET FEE-HELP balance)

The information provided regarding refunds (whether refund of actual fees paid or re-crediting Fee Help balances*) applies to all students including those accessing VET FEE-HELP arrangements.

Students enrolled after census date will incur liability for fees, whether fee for service or VET FEE-HELP.

In the interests of equity, The French Beauty Academy has applied the census date to all refund decisions for both VET FEE-HELP and non-VET FEE-HELP students.

In the very unlikely event The French Beauty Academy ceases to provide a VET course of study, it will refund all ‘prepaid’ fees for units of competency not completed or will facilitate the continuation of your qualification with an alternative RTO.

A refund of any fees paid for Diploma will be made to you if you withdraw prior to the 1st census date. On the following census dates you will incur a VET FEE HELP debt at each of the following census dates if you are in attendance at the Academy. Please notify the Academy in writing to the Principal if you intend to withdraw so that you do not incur further debt.

Students are required to return all materials issued in original condition.

After census date

Your debt with the Commonwealth (VET FEE-HELP) or course Fees payable to the French Beauty Academy (non-VET FEE-HELP) will remain if you withdraw or cancel your enrolment after the census date for the Unit of Study (or Payment Period).

Students are liable for payment for the units commenced at this date for the payment period or Unit of Study. The French Beauty Academy treats all subjects the student is enrolled in prior to receiving application to withdraw or defer as ‘commenced’;

If a student withdraws, all outstanding course work and full payment must be received prior to the issuing of any certification including qualification or statement of attainment;
Exceptional Circumstances

Students who withdraw from a Unit after the published census date, or fail to complete a unit, may apply to have their VET FEE-HELP balance ‘re-credited’ with respect to the Unit if they believe special circumstances apply in accordance with the following procedures.

Medical or other extenuating circumstances associated with the withdrawal shall be assessed on a case by case basis. Where a student can provide a medical certificate or show extreme personal hardship, a different refund scheme may be authorised on a case by case basis determined by the Principal and in accordance with the Higher Education Support Act 2003.

The French Beauty Academy will refund fees paid, or re-credit the student's FEE-HELP Balance, if it is satisfied that special circumstances apply where:

- the student's withdrawal or failure to complete are beyond their control; and
- these circumstances did not make their full impact on the student until on, or after the census date; and
- these circumstances were such that it was impractical for the student to complete the requirements for the Unit.

For circumstances to be considered to be beyond your control, the situation should be that which a reasonable person would consider is not due to your action or inaction, either direct or indirect, and for which you not responsible. That is, the situation must be unusual, uncommon or abnormal to be considered special circumstances.

Special circumstances do NOT include:

- lack of knowledge or understanding of requirements for VET FEE-HELP assistance; or
- a student's incapacity to repay a VET FEE-HELP debt (repayments are income contingent and the student can apply to the Australian Taxation Office for a deferral of a compulsory repayment in certain circumstances).

The Student Administration Manager (phone: 07 55622567; email: info@thefrench.edu.au) is the designated officer responsible for the assessment of a student's request for a refund or re-credit of their VET FEE-HELP balance due to special circumstances and for the initial decision regarding the request.

A student must apply in writing within 12 months of the withdrawal date, or if the Student has not withdrawn, within 12 months of the specified completion date of the Unit of Study. The French Beauty Academy has the discretion to waive this requirement if it is satisfied that it was not possible for the application to be made within the 12 month period. Relevant supporting documentation will be required to substantiate the claim.

The French Beauty Academy will consider each application within 28 days of receipt of the application and applicants will be notified in writing of the decision within 28 days. Applications should be made in writing to The Principal at 69 Laver Drive Robina 4226 as the designated Review Officer of any decisions relating to a request for re-crediting of a VET FEE-HELP balance.

The Review Officer is senior to the designated VET FEE-HELP officer responsible for the original decision and was not involved in making the original decision to be reviewed.
The Review Officer will:
- acknowledge receipt of the application for review of a decision in writing within 10 working days,
- review the information from the original decision and then assess any new evidence provided by the Student;
- provide written notice to the Student of the decision, setting out the reasons for the decision;
- inform the student that if the Review Officer has not advised them of a decision within 45 days of receipt of the application for review, it is taken that the Review Officer has confirmed the original decision.
- inform the Student of their right to apply to the Administrative Appeals Tribunal if they disagree with the Review Decision, and timelines involved (see below)

Reconsideration by the Administration Appeals Tribunal

An application for reconsideration must be lodged at the AAT within 28 days of receiving written notice of the review decision. This time limitation can be extended in limited circumstances by order of the AAT.

Full details of the application process and fees payable are available on the AAT Registry’s website: www.aat.gov.au. An application fee may have to be paid, in the amount of $861 (valid at May 2015) and is subject to change. Applications cannot proceed until the fee has been paid or waived. Applications for fee waiver must be made to the AAT. Refer to the AAT website for more details.

Details of closest AAT office:
Administrative Appeals Tribunal Level 4,
Harry Gibbs Building Commonwealth Law Courts
119 North Quay Brisbane QLD 4000
Telephone (07) 3361 3000

The Federal Government’s Department of Education and Training (DET), will be the respondent for cases that are brought before the AAT. Upon DET’s receipt of a notification from the AAT, DET will notify The French Beauty Academy that an appeal has been lodged. Upon receipt of this notification, the Review Officer will provide DET with copies of all the documents that are relevant to the appeal within ten business days.

Deferral

Students may defer for up to 12 months at any time. Fees paid are held in credit and will be applied to the student account. When a student returns to study he or she is required to join the next available group. To discuss or request a deferral you should:

1. Contact The French Beauty Academy Administration to arrange a deferral interview.
2. At interview you will be advised of the options for recommencing dates, partial completion transcripts and correspondence options.
3. You must complete the Deferral Application Form and submit to the Principal to confirm your application for deferral. The French Beauty Academy Administration will advise the student as to how many units are left in the qualification.
4. The Deferral Finance Policy (below) will applies to all deferred students.
Deferral Finance Policy

Before the Census Date

1. If you defer prior to the next census date, you will not incur fees or liability for the following Unit of Study.
2. You cannot defer prior to the first census date. Instead you may reapply for entry at the next available intake without prejudice.

After Census Date

1. If you defer after the census date of the current term you will be liable for all fees for the current Unit of Study period.
2. If you defer during a Unit of Study you are liable for all fees up to the next census date.

You are responsible for recommencing the course within 12 months. The French Beauty Academy honours the price of the enrolled course for 12 months only. If you do not recommence the course by the agreed date then the withdrawal policy should be followed. If your deferral exceeds 12 months without communication with The French Beauty Academy then The French Beauty Academy Activated Withdrawal policy applies and you may forfeit all fees paid to The French Beauty Academy and a place at the school.

In exceptional circumstances The French Beauty Academy may approve an extension of a 12 month deferral. To apply for the extension to a deferral a student must contact the Academy prior to the end of 12 months and make application for exceptional circumstances.

Activated Withdrawal

When students either fail to attend classes, and/or fail to submit course work for any (sufficient to impact their progression) period of time The French Beauty Academy will attempt to contact the student to determine the student's intentions to continue in the course.

If the student is unable to be contacted after five attempts The French Beauty Academy may initiate The French Beauty Academy Activated Withdrawal process from which a student is considered to be withdrawn and all fees paid to date are non-refundable. To recommence studies after a French Beauty Academy activated withdrawal students are required to submit a new application and may be treated as a new student.

Unpaid Fees

Payment of fees is a prerequisite for class attendance. The French Beauty Academy reserves the right to use all legal means to recover outstanding fees when a student fails to make agreed payments.

PaySmart Customer Follow Up:

It is the customer's responsibility to ensure funds are available in their nominated bank account/credit card to meet the direct debit payment in accordance with the signed PaySmart agreement. If a debit is returned unpaid by their financial institution, the customer will be responsible for an additional $15.00. This is an administrative cost charged by PaySmart. For the dishonour reason "Incorrect Account Details", the Customer does not incur a $15.00 dishonour fee.

In the case of a student account remaining unpaid for more than two (2) consecutive payments (as per the student payment plan), the student may not be permitted to attend classes until the account balance due is settled, or the Principal has given permission for the student to attend.
Graduating students are required to settle their The French Beauty Academy account by paying any outstanding fees one (1) week prior to graduation. If fees remain unpaid on the date of the graduation ceremony The French Beauty Academy reserves the right to restrict access to graduation events;

**Short Courses**

The French Beauty Academy offers a range of short courses (accredited units of competency) that students may also undertake which may be additional to their qualification, to develop specialist or broader areas of expertise and practice. Where these units are additional to the qualification requirements a statement of attainment will be issued on successful completion.

Students may attend short courses offered by The French Beauty Academy by following the process below:

Confidentiality
As an enrolled student with The French Beauty Academy, you will be required to attend practical work experience placements as part of your studies. In the course of these placements, you may access information that is confidential to that workplace. You must not divulge any information that you may become aware of as a result of a placement.

Learning Engagement
The French Beauty Academy wants you to achieve the best outcomes in your studies.

At times you may have difficulty in keeping up with your learning activities, completing assignments, or demonstrating competence in assessment activities. The French Beauty Academy continuously monitors your engagement and will provide regular contact and support to ensure you have every opportunity to complete your studies.

If you are having difficulty maintaining acceptable progress, you must discuss the situation with your educator and/or The French Beauty Academy administration as soon as possible. (In certain circumstances, for example if you are a carer, fall ill or have a disability, you may need to negotiate a reduced study load over a more extended period of time or make application to defer your studies for period of time)

Approval for requests for extensions for any assessment is at the discretion of The French Beauty Academy and should be made in writing. Requests for extensions will only be considered if they are received prior to the scheduled end date of the enrolled unit, and if all fees have been paid.

If you are not intending or not able to continue the program, you should advise us as soon as possible.

QUALIFICATIONS
The French Beauty Academy will issue an AQF Qualification or Statements of Attainment within 30 days of a student completing the course or leaving the Academy provided all agreed fees have been paid.

If a student of The French Beauty Academy requires more than the one copy of their certification and transcript the cost is $35.00. This cost applies also to past students who have graduated and request a re-print of their certification.

Graduates of The French Beauty Academy will in many cases be eligible to also receive workshop certificates issued by product companies that provided training throughout their course. In the case where a student may misplace or lose one or more of these certificates it is their responsibility to contact that specific product company to arrange a re-print. The French Beauty Academy is not responsible in any way for keeping original copies of product knowledge certificates.

RECOGNITION
Recognition of Prior Learning (RPL) is available to all students on enrolment.

Students who consider that they have, and can demonstrate current skills and knowledge in the qualifications or individual units of competency in the program, whether achieved through prior training (formal or informal) or through relevant work history and [work or life] experience may apply to have their knowledge and skills ‘assessed’ via an RPL process.
The RPL process at The French Beauty Academy may vary depending on individuals’ specific circumstances but will generally include:

- The provision of preliminary information about the RPL process to consider the student's suitability
- Conversation between assessor and the student (you) to discuss evidence requirements for individual units, make a preliminary assessment, advise you accordingly and review the RPL assessment tool(s);
- The student (you) will supply evidence of your capability (prior learning, work history, personal skills etc) specifically related to the units of competency

Examples of evidence could include (but of course is not limited to):

- Licences or tickets
- Resume/ CV or detailed work history
- Certificates (accredited, non-accredited, higher education degrees or training programs. Refer Recognition re ‘credit’)
- Performance appraisals
- Indentures or trade papers
- Statements of attendance/certificates – vendor training courses, in-house courses, workshops, seminars, symposiums, club courses e.g. first aid, officials, surf lifesaving etc.
- Photographic evidence of work
- Diaries/task sheets/job sheets/log books
- Memberships of relevant professional associations
- Hobbies/interests/special skills outside work
- References/letters from previous employers/supervisors
- Industry awards
- Letters from employers, records of professional development.

An assessor may conduct a review/verification of the evidence supplied against the units of competency

The assessor may facilitate a one-on-one professional conversation(s) (depending on the student's experience and/or evidence, the assessor may need more than one occasion and/or to assess student's skills in their workplace or a simulated environment).

RPL is assessor-intensive and as a result, The French Beauty Academy has devised a fee and charges system for RPL based on the amount of assessor time outlaid in evaluating evidence for individual units of competence.

The initial RPL service fee is the same as the unit fee (where no additional practical assessment is required, and you are able to supply sufficient evidence to achieve the particular outcome). Where evidence of competence requires additional assessor time, equipment and facilities, the cost will be adjusted accordingly. Any practical assessment requirements arising from this service are chargeable at the prescribed hourly rate for the services of staff assessors involved required.

The charge out rate for assessor staff performing a practical assessment is currently $80 per hour depending on requirements for facilities, equipment and subjects.

The cost of non-successful RPL will not be credited against course fees.

In the event of a successful RPL application for a unit or a group of units that form part of a course, The French Beauty Academy will process a cost deduction from the full qualification fee for those
units that have been achieved via the RPL process. Should the application for RPL be unsuccessful, the full course fee is still required to be paid for those units to be studied.

Please contact The French Beauty Academy directly if you think you may have skills that can be recognised towards your qualification to receive more information.

**Credit Transfers**

The French Beauty Academy recognises qualifications and/or Statements of Attainment issued by other Registered Training Organisations (RTO). The French Beauty Academy defines the recognition of skills achieved through formal learning and assessment as credit transfer.

Credit transfer allows a student to be awarded a unit of competency towards completion of a qualification, based on successful completion of the unit previously completed under another RTO.

To apply for credit transfer, a student is required to obtain and application form from The French Beauty Academy administration, present his or her completed application form and statement(s) of attainment or qualification(s) for examination by The French Beauty Academy to ensure satisfactory evidence that the statement of attainment or qualification is theirs and that it has been issued by an Australian RTO.

**Credit Transfer Guidelines**

The following guidelines are to be followed when an application for credit transfer is received:

- Whilst students may apply for credit transfer at any time, they are encouraged to apply before commencing a training program or within three (3) weeks of the program commencement. This will reduce unnecessary training and guide the student down a more efficient path to competence.
- The student does not incur any fees for credit transfer and The French Beauty Academy do not receive any funding when credit transfer is granted.
- Credit transfer may only be awarded for whole units of competence. Where a mapping guide identifies a partial credit, this will not be considered for credit transfer and the applicant will be advised to seek RPL.
- The French Beauty Academy will verify all certification submitted for consideration as true and genuine.
- Completed credit transfer applications are signed by the student and The French Beauty Academy - representative and retained on the student's file at The French Beauty Academy with accompanying documentation.
- Students are notified in writing of the outcome of their application. All credit transfer approved will be recorded on the training plan issued to the participant.
SELECTION AND ENROLMENT

All applicants are interviewed by the Admissions Coordinator or the Director of Admissions. The interview may take place at our offices or by telephone in special circumstances. The interview process enables an assessment to ensure that the applicant meets the entry requirement for basic computer and English communication skills and to ascertain their suitability to the industry. Applicants may bring a resume, character references, a portfolio of completed work to the interview or anything else they feel relevant as evidence that they meet the published entry requirements.

Students' needs are identified upon entry into their course of study. Information to make this assessment is gathered through information provided by the student on the enrolment forms and in discussion with educators/assessor at induction.

We do strongly encourage you to identify if you do have any issues (such as literacy, language or numeracy, physical or learning issues) that may impact on your training or assessment. By knowing this information, we will be able to support you with appropriate resources, or make reasonable adjustments to the program to assist you.

a. Gathering information about each student's prior formal and informal learning and encouraging them to seek recognition for this through the RPL process.
b. Developing an individual training and assessment record and plan for each student during the initial stages of a qualification.

Applicants who are assessed as meeting the entry requirements will be sent a confirmation of enrolment with further details about the course and arrangements for student induction.

The opportunities and benefits of Commonwealth assistance will be made equally available to all eligible students upon enrolment.

**OPINIONS, ISSUES AND IMPROVEMENTS**

**Complaints and Appeals**

The French Beauty Academy is fully committed to constantly improving how its business is conducted and maintaining its continuous compliance with the VET Quality Framework. Your feedback about your experiences with The French Beauty Academy is very important in enabling us to do this effectively.

Students, prospective students and other clients are invited to provide their feedback on any aspect of our services at any time. Feedback can be provided in person, over the phone or in writing. All feedback received will be used in The French Beauty Academy's feedback and continuous improvement cycle.

The French Beauty Academy considers all experiences an opportunity to learn, reflect and improve. Self-reflection and evaluation plays a key role in the organisations continuous improvement and all managers and staff are actively encouraged to participate in continuous improvement processes.

We will regularly ask for your opinion in the form of formal (surveys) and informal (conversations) feedback.

As an RTO, The French Beauty Academy is also required to collect Learner Engagement feedback (via a survey) about your experience with us, and report the outcomes to the national regulator annually. We would request your participation in this process, as it is a valuable source of information for us to identify areas for improvement.

It is also important that if you have an issue or a problem (with the training or with our services), including if you are dissatisfied with the outcomes of assessment and other decisions, that we know about it and have an opportunity to work with you to resolve it. The French Beauty Academy's full Complaint and Appeal Policy and Procedure is available on The French Beauty Academy website.

In brief, if you have a complaint, please discuss it first with the relevant person, or another The French Beauty Academy staff member. If this discussion is unable to resolve the issue, or you are unable to discuss it directly, you may submit a 'formal' complaint (an appointment, email, letter or via the website) to The French Beauty Academy who will commit to investigating the issue and working with you to resolve.

If you are lodging an appeal about a decision, whether the decision is about the result of an assessment or a decision about an issue, it must be done within 14 days of notification of the result or decision. Each student has an opportunity to formally present his or her case and is given a written statement of the appeal outcomes including reasons for the decision.
Whilst The French Beauty Academy would prefer the opportunity to work with you to satisfactorily resolve issues, the commonwealth government also provides students with access to a National Training Complaints Hotline (13 38 73 or skilling@education.gov.au) which is open from 8am to 6pm Monday to Friday.

YOU'RE GOOD TO GO!

The French Beauty Academy encourages you to maintain this Student Handbook for the duration of your study with us and refer to it as needed. Remember, if you have any questions at all, please ask any of The French Beauty Academy staff (email or phone us). We want your learning experience with us to be rewarding.
