FLEXIBLE STUDY OPTIONS

Whether you want to study full time or part time or even if you live in a rural or remote location, our Flagship Business of Beauty course (SHB50115)

Diploma of Beauty Therapy, CUA51015 Diploma of Screen and Media **is offered with flexible learning options, and can be studied both on campus and online to suit all types of students!**

Face to Face Program

Our full-time on-campus option is 3 days per week and perfect if you learn best in a classroom environment. Guided by our incredible Educators, you'll be hands on for 12 months studying both your practical skills and theory lessons simultaneously. You can study Face to Face at either our Robina or Brisbane campus.

Flexible Program

Our Flexible study mode is run from our Brisbane Campus and is only 1-2 practical training days per week depending on how quickly you wish to complete your qualification, allowing you to manage work and family commitments.

You'll study your theory in your own time through our online learning portal and you'll put your lessons into practice in the classroom environment with hands on practical training for each of the theory components.

You'll be supported every step of the way with our Flexible learning Educators on hand and in constant contact to help you progress through the course!

Flexible Program for Rural & Remote

This program option is for students located in rural and remote areas and allows you to study your theory work online and travel to our Robina campus to attend your practical blocks.

Over the course of 12 - 24 months (depending on how quickly you want to progress through your course) you will attend 16 weeks of five-day blocks.

During these blocks you will complete your practical training sessions from 8.30am to 5pm each day at the Robina campus. Specific theory units will need to be completed online prior to each practical block.
