WHY STUDY AT THE FRENCH?

The French Beauty Academy was created to foster the next generation of beauty therapists and make-up professionals; highly skilled, adaptive and socially responsible graduates who can develop their skills through inspirational learning environments, inspiring educators and industry connections. The French Beauty Academy aims to blur the distinction between school and industry by creating opportunities for students to step seamlessly from one to the other.

The French Beauty Academy is intimately connected with industry, and its students are afforded a range of unique opportunities to enhance their careers and graduate options.
